## **References**

Use **Complete Citations** to cite sources. Please use APA or MLA format. You can find Style Manuals online and in the Library. Only cite sources in you reference section that you will verbally cite and/or call reference to during your speech. If you have any questions about how to cite electronic sources you can also find information for how to cite electronic sources online or at the Library. Be specific and complete with all citations. Interviews and surveys can be difficult to cite. Include person's name and title for an interview or number of people (50 students) for a survey, also include when, and where the interview /survey was conducted.
