H6 Header

## Use H2 for Table Borders

Table	Second Box
Words	Words
Words	Words
Words	Words

### NOTEBOX

This formatting is perfect for inline notes or asides about the material the reader just finished.

## Table in a Notebox

Table	Test
Test	Words
Test	words

THE SCRIBBLE DIV CLASS IS PERFECT FOR THOSE "HAND-WRITTEN" NOTES FROM A THIRD PARTY VOICE.

Use `< H2 >` code to change the text and background colors.

Use the bluebox div class for example boxes.
