

Photo Release Form

Service unit or troop number:

We take pride in all of our endeavors, including the use of communication tools that help keep our service unit, troop, family and friends informed about events and opportunities that take place.

Communication medium(s):

Occasionally, we photograph events and some of those photographs may contain images of children, youth, and adults participating.

Being mindful of the safety of all the children and the privacy of all individuals who participate, we would like to obtain your permission to post or print images of our events that may contain images of you or your child.

Safety is our primary concern. Please take the time to fill out the information below.

Parts of your child's, hand, leg, back of head etc. may be in photos and will not be removed. This is outside the scope of this release. **Initial here:** _____
